The Danish Maritime Fund

- **The Fund was established in 2005.**
- **The Fund's objective is to offer financial support to initiatives that can serve to develop the Danish maritime industry ("Fondens formål er at yde økonomisk støtte til initiativer og tiltag, der kan tjene til at udvikle og fremme dansk skibsfart og/eller dansk værftsindustri.")**
- **The Fund's means are derived from dividends from the Fund's 10 % shareholding in Danish Ship Finance (Danmarks Skibskredit A/S).**
- **The Fund has since 2005 supported 624 projects in Blue Denmark, hereof 508 non-profit projects and 116 commercial projects.**
- **The Fund's commitments to distributions amount to DKK 524 million to date (equivalent to around USD 75 million). Hereof DKK 386 million to non-profit projects and DKK 138 million to commercial projects in the form of loans on special conditions.**

The Fund's distribution policy

The Fund's distributions must:

- **Support the development of the Blue Denmark**
- **Be of benefit to Danish shipowners, ship yards and manufacturers of maritime equipment**
- **Support innovative and future oriented activities**
- **Have a catalytical effect**
- **Create new jobs**
- **Have a business oriented content or be of non-profit / philanthropic nature.**

Velkommen til Den Danske Maritime Fonds hjemmeside

Fonden skal udvikle og fremme dansk skibsfart og værftsindustri. Dette sker igennem økonomisk støtte til forskning, teknologi- og produktudvikling, uddannelse, rekruttering og andre relevante initiativer med maritimt fokus. Vil du vide mere om Fonden og vores aktiviteter kan du på denne hjemmeside finde relevante informationer; herunder Fondens udelingspolitik en gennemgang af tidligere projekter som Fonden har støttet og naturligvis ansøgningsformular og vejledning til denne.
